

Rosedale Network Of Churches

a global family of Anabaptists

Who We Are

Rosedale Network of Churches is a family of evangelical Anabaptist churches working together with Rosedale Bible College and Rosedale International to mature and multiply churches locally and globally. Rosedale Network is currently made up of 113 congregations with over 13,000 members in 24 states. Through church planting and revitalization, our vision is to see disciple-making churches thriving in neighborhoods all around the world. In addition to our presence in the United States, Rosedale Network maintains fraternal relationships with international affiliates in Costa Rica, Cuba, Ecuador, India, Kenya, and Nicaragua.

What We Believe

Rosedale Network of Churches embraces elements of historic evangelical theology and the 16th century Anabaptist movement. Rosedale Network's confession of faith is articulated in two documents:

- *CM Statement of Theology*
- *CM Statement of Practice*

MINISTRY RESOURCES

PASTOR CARE

Checking In – Pastors and spouses in their first two years of ministry are given the opportunity to participate in a cohort led by an experienced mentor couple. The cohorts stay together for two years, and provide a great opportunity to learn and grow together in ministry.

Pastor Peer Groups – All credentialed ministers are invited to participate in a peer group with 8–10 other ministers meeting monthly via Zoom. This provides an opportunity to build relationships, learn from each other, and pray together.

CURRICULUM

Kingdom Come – Adult and youth curriculum produced by Rosedale Network and written from an Anabaptist perspective encouraging us to live what Jesus taught.

Kingdom Living – Lessons for youth written from an Anabaptist perspective on topics that are often neglected in curriculum gleaned from the wider evangelical world.

Prayer Pathways – We learn in different ways and talk in different ways; so, naturally, we will pray in different ways. These lessons move us beyond a one-size-fits-all approach to prayer.

EQUIPPER (www.equipper.tv)

Rosedale Network's Equipper website offers a variety of 12–20 minute training videos and corresponding study guides developed to equip Christ-followers to serve in the church and beyond.

LEADERSHIP DEVELOPMENT SCHOLARSHIP

This scholarship makes quality leadership training through RBC's Training in Ministry program accessible for young and old, men and women, ministers and laypersons across Rosedale Network.

CHURCH PLANTING

Congregations or individuals interested in church planting will receive assistance in all phases—from exploring possibilities to execution of a plan to plant or relaunch a church. Assessment, coaching, and financial resources are available. Contact Church Planting Catalyst Caleb Reed at caleb@rosedalenetwork.org.

MATURE & MULTIPLY SUMMITS

Representatives from Rosedale Network facilitate 2–3 day summits with leadership teams from regional clusters of Rosedale Network churches. During this interactive summit, participants are encouraged to tap into God's vision for multiplying the gospel in their communities and to develop a clear plan for next steps in carrying out that vision.
