Request for Transfer of Ministerial Credentials

The policy of Rosedale Network of Churches requires advance authorization for the transfer of ministerial credentials to Rosedale Network. Requests for transfer of credentials are processed by the Ministerial Committee and Executive Board. After evaluation of the candidate's Ministerial Questionnaire and an interview with the candidate, the Ministerial Committee makes a recommendation to the Executive Board who then takes official action on the request. Requests for transfer of ministerial credentials are generally processed twice a year and should be submitted to the Rosedale Network office by January 15 or June 15. The candidate's Ministerial Questionnaire should accompany this request form.

	candidate's Ministerial Questionnaire should accompany this request form. Name of Candidate
(Officiating minister
1.	Application for (check one): Transfer of credentials from another church body Recognition of credentials based on previous ordination
