

## **Bible Teacher Job Opening**

### **Description:**

The teacher's primary role will be the instruction of secondary students in daily Bible lessons, particularly paying attention to the connection between biblical knowledge and right living and worship. The proper candidate will have a strong Christian faith that is easily recognized in his lifestyle. Excellent candidates will also be flexible and willing to engage students in mentoring and discipleship roles throughout the school year, helping students connect classroom instruction to real-life scenarios.
